Sanctions the affiliation of the Sri Krishnarajendra Silver Jubilee Technological Institute to the Mysore University for awarding the B.Sc. (Textiles) Degree.

READ—

Correspondence ending with letter No. A1-548, dated 20th May 1946, from the Principal and Joint Secretary, Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore, regarding the award of "B.Sc. (Tech.)" Degree to students of the Institute who pass Diploma Course in Textile Technology.

Correspondence ending with letter No. Ex. 5-1511—45, dated 6th July 1946, from the Registrar, University of Mysore, stating that the University Council has approved the affiliation of the Sri Krishnarajendra Silver Jubilee Technological Institute for awarding the B.Sc. (Textiles) Degree by the University from 1946-47.

ORDER No. E. 2875-79—UNI. 10-43-39, DATED CAMP MYSORE, THE 12TH OCTOBER 1946.

The question of institution of B.Sc. (Textiles) Degree in the Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore, has been under the consideration of Government for some time past. The Diploma course in Textile Technology at the Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore, extends over a period of three years

followed by an additional six months' practical training in the approved mills and only candidates who have passed Inter Science Examination of the Mysore University or of any recognized University with Physics, Chemistry and Mathematics as optional subjects are eligible for admission to this course and the successful candidates are granted Diplomas in Textiles. The standard of training imparted in this Institute is reported to be much higher than in any of the Textile Schools in India who offer Diplomas in Textiles and where the minimum qualification for admission is only S.S.L.C. The Board of Management consider that the award of a Diploma to the successful students of the Institute who possess higher general qualifications and better training in Textile Technology has placed them under a disadvantage and that it is necessary to grant a degree (B.Sc., Tech.) instead of a Diploma to the students after completing the course in Textile Technology. They have, therefore, resolved at the meeting held on 12th February 1946 that an advanced course for obtaining Degree in Textiles may be started and that the Department of the Institute relating to the Textiles may be called a College for affiliation to the University of Mysore, so that the University of Mysore may confer degree of "B.Sc., Textiles" on the candidates who take up advanced course in Textile Technology at the Sri Krishnarajendra Silver Jubilee Technological Institute. It is stated that with the equipment and the staff available at the Technological Institute the degree course can be started from 1946-47.

The Board of Studies in Engineering and Technology and the Faculty of Engineering and Technology of the University have, after examining the details of curricula of studies and the scheme of examinations of the Institute, agreed to the affiliation of the Institute to the University of Mysore. The University Council at the meeting held on 7th June 1946 have resolved that the Sri Krishnarajendra Silver Jubilee Technological Institute may be affiliated to the University from the year 1946-47 for awarding the B.Sc. (Textiles) Degree.

In the above circumstances, Government are pleased to accord sanction to the affiliation of the Sri Krishnarajendra Silver Jubilee Technological Institute to the Mysore University for awarding the B.Sc. (Textiles) Degree and to the commencement of the Degree Course in the Institute from the academic year 1946-47.

FINANCIAL SECRETARIAT

Issues instructions regarding waiving of penal interest on overdue loans.

READ—

Letter No. 48—M. A. D., dated 26th August 1946, from the Comptroller to Government, regarding the waiving of penal interest on overdue loans.

ORDER No. Fl. 2651-2720—G.F. 111-46-2, DATED BANGALORE, THE 12TH OCTOBER 1946.

To an enquiry from Government, the Comptroller has reported that according to the existing procedure, if instalments fixed in respect of loans are not paid on the due date, penal interest at the prescribed rate is charged on such overdue instalments and if later on remissions of penal interests are ordered, the whole of such penal interest *which includes ordinary interest is being waived.* This interpretation of Government Orders sanctioning remissions of penal interest is not correct, the sanction accorded being only for waiving the "Penal" interest in such cases and not the ordinary interest. Government are therefore pleased to direct that wherever penal interest is waived it is only the difference between the penal interest and ordinary interest due on the outstanding amounts that should be waived unless it is specifically indicated that ordinary interest also should be exempted.

ELECTRICAL SCRETARIAT

Directs that the benefit of the Pension Sceheme be extended to those in service in the Electrical Department and that it be applicable only to those who retire from service after the 1st September 1946.

READ—

Government Order No. E.D.S.—1724-27, dated 14th February 1941, sanctioning the grant of pension to the employees on the regular establishment of the Electrical Department who joined service prior to 18th September 1913.

2. Government Order No. E.D.S.—425-28, dated the 15th August 1941, sanctioning the extension of the benefits of pension to the employees on the regular establishment of the Electrical Department who entered service prior to 1st July 1919 and are still in service and who retired on or after 1st January 1938 and directing that as regards entrants to service on and after 1st July 1919 in the regular establishment, they be granted in addition to the Provident Fund, gratuity on the scale obtaining in the Railway Department.

3. Correspondence ending with D.O. letter No. 4175, dated the 2nd February 1946, from the Chief Electrical Engineer forwarding a note regarding the extension of pension benefits to all the employees of the Electrical Department borne on the regular as well as the permanent work establishment (also called the Maintenance Establishment).

ORDER No. EDS. 898-901—Elec. 320-45-2, DATED BANGALORE, THE 9TH OCTOBER 1946.

In the Government Order dated the 14th February 1941 read above, the officers and staff of the Electrical Department in the regular establishment who joined service before 18th September 1913 were allowed the benefits of pension. This question was further considered and Government in their Order of 14th August 1941 read above directed that the benefits of pension sanctioned in the order of 14th February 1941 be extended to the employees in the regular establishment of the department who entered service prior to 1st July 1919 and who were still in service. As regards the employees who had retired then, it was further directed that such of the employees as entered service prior to 1st July 1919 and retired on or after 1st January 1938 be allowed to come under the pension scheme and pension granted to them from the date of their retirement. Regarding the entrants to service on or after 1st July 1919 in the regular establishment, it was also directed that they might be granted in addition to the Provident Fund, Gratuity on the scale obtaining in the Railway Department. The Chief Electrical Engineer has been urging that these employees also, including those in the 'Maintenance Establishment' of the department be brought under pension scheme to make the department more attractive and afford security in old age.

2. After careful consideration of the matter, Government are pleased to direct that the benefit of the pension scheme be extended to those in service in the Electrical Department. They further direct that this order should have no retrospective effect and be applicable only to those who retire from service after the 1st September 1946.

3. Separate orders will issue *re* the refund of the Provident Fund contributions of the employees of the department and credit to Government of the portion of the Government's contribution.
